

QCRYPTO

2023 ~~10~~ 1

11th

~~10~~th International Conference on Quantum Cryptography

QCRYPT 2021

11th

~~10th~~ International Conference on Quantum Cryptography

August ~~10-14, 2020~~ 23-27, 2021

Amsterdam (The Netherlands)

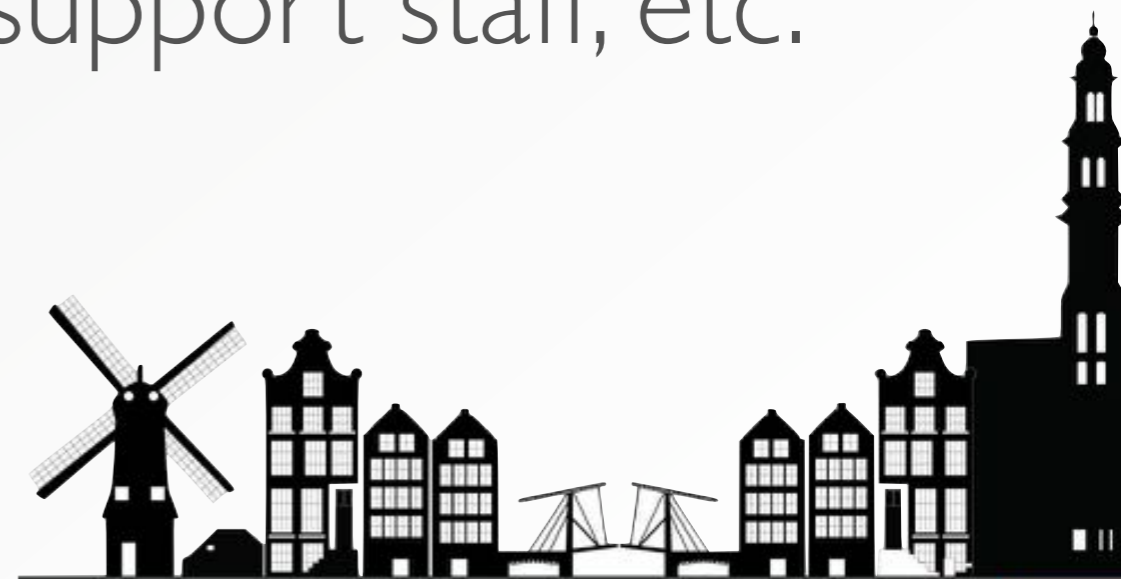

as a physical conference
(if COVID-19 allows)

ORGANIZERS

- Serge Fehr (CWI Crypto / Leiden)
- Christian Schaffner (UvA / QuSoft)
- With lots of help from local support staff, etc.

AMSTERDAM

Amsterdam August ~~10-14~~
23-27

Exciting city with historical and cultural treasures

- more canals than Venice, more bridges than Paris
- thousands of monumental buildings
- home to famous pieces of art

AMSTERDAM

Amsterdam August ~~10-14~~
23-27

Easy to reach, easy to get around

- Schiphol airport is 20min outside of Amsterdam
- direct flights from/to most major cities around the world
- Amsterdam is easy to explore by foot or bike
- excellent public-transport system (metro, tram, bus)

VENUE

Amsterdam August ~~10-14~~
23-27

Roeterseiland Campus

- modern university complex
- state of the art facilities
- close to city center

UNIVERSITY OF AMSTERDAM

ATTRACTION

Amsterdam August ~~10-14~~
~~23-27~~

SAIL Amsterdam takes place concurrently

- Europe's largest free-access maritime event
- ~600 ships from all over the world will moor
- offer the opportunity to climb aboard

SAIL
AMSTERDAM 2020

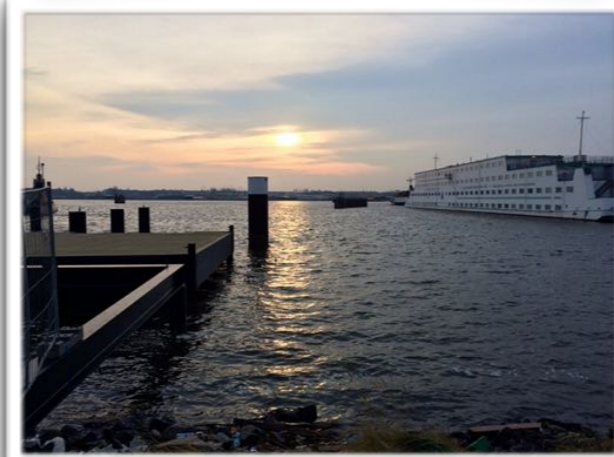

BANQUET

Amsterdam August ~~10-14~~
23-27

Restaurant De IJ-kantine

- located at the NDSM pier, overlooking the harbour
- offering great food and an awesome view
- ~~enjoy the SAIL spectacle during the conference dinner~~

HEADS UP

Finding accommodation will be tricky!

We will offer:

- block reservations in different hotels
- other channels for searching for accommodation

We strongly advise:

- **start early** looking for accommodation
- **search broadly** for accommodation
- visit **2020.qcrypt.net** **early on** and **regularly** for updates
- have your room **2 months before** the conference
- to not wait that long if not necessary

CALL FOR CONTRIBUTIONS

We expect: exciting technical program

We need you:

- to work hard
- produce new exciting results
- submit them to QCrypt 2020/1

We will also be looking for:

- sponsors
- industry exhibitors

Let us know if you are interested (¹2020@qcrypt.net)

Looking forward to welcoming you in

Amsterdam

in person

for

QCRYPT
202~~2~~1

Hope to see you all then and there!

Chris & Serge
